Conditions for Re-Enrolment

Please read all the following conditions of re-enrolment at Al-Ameen College.

We agree to comply with the Parent Code of Conduct and all other applicable rules and policies of the College.

The College may terminate the contract if the Principal, at the Principal's discretion, determines that the student is making unsatisfactory progress, has an unsatisfactory attitude or has displayed unacceptable behaviour, or has broken the College's rules. In that case, the College will not be obliged to refund any fees and charges. Moreover, any fees and charges outstanding at the time of the contract termination, will still be payable.

The College may also terminate the contract if in the Principal's discretion, exercised reasonably, the relationship between the parents/guardians and the College has deteriorated to the extent that the mutual trust and confidence needed for a cooperative and respectful relationship has been irreparably broken.

We agree to implement College rules and policies as they apply to our child. The student must comply with the College's rules and policies in place at enrolment and as amended from time to time.

We agree to pay the College tuition fees and any other charges in respect of our child within the stated date on the invoice. The College may withhold student reports if payments/fees have fallen behind by more than 2 terms (without exemption from the College).

Written notice of at least one term in advance is required should a student be removed by the parents/guardians from the College. In default of such notice, an amount equal to one term's fees is payable.

We agree to comply with the College drop off and pick up times.

We agree to follow directions from College staff regarding access to the College, car park, and Kiss and Drive procedures, as well as all applicable laws.

We understand and acknowledge that the College uses video surveillance in classrooms, in addition to premises and facilities, to investigate any issues that may affect College property, student, and staff well-

being and safety. The video surveillance operates continuously (24hrs) however footage is only accessed through approval from the Principal by delegated staff in response to specific issues.

We agree to keep the College informed of any changes in circumstances (e.g. Student health, family circumstances).
