Principal's Message

Assalamu-Alaikum Wahramatullahi Wabaratu

Alhamdulillah, Term Two has commenced smoothly and will no doubt pass very quickly with the blessed month of Ramadan fast approaching. One of the highlights of this term will be our Ramadan Assembly scheduled for Tuesday, 20th June 2017 and the Community Iftaar Dinner to be held on Saturday, 17th June 2017.

Drop-off and Pick-Up Arrangement

In order to ensure better flow of traffic and less congestion in the car park, Norbury Way has been allocated as the College's drop-off and pick-up location from this week onwards. Parents who are only dropping off or picking up their children are to come to Norbury Way and not the car park. **The car park is only for parents who are coming into the College and therefore, parking in the car park.** Please note that parents are responsible for their children and are required to supervise their children in the car park at all times. Please take care when reversing and keep small children and toddlers with you.

The Year 7 and Year 8 parents are invited to attend the Parent-Teacher meetings scheduled for Thursday, 4 May 2017, and Thursday, 18 May 2017, from 3:45pm - 5:30pm in the Multi-purpose Hall. Parents are requested and highly encouraged to attend to find out how their children have performed in the first term. In addition, all parents are requested to sign up to Konnective as the school communicates with parents via Konnective. Memos and letters are no longer given to students to take home. All letters, memos and other communication are sent through Konnective and is available on the College website.

I would like to thank parents for leaving the College grounds by 8:30am and not coming into the College before 3:30pm to pick up their children. Of course, parents are welcome to come to the office during the school day for payments, purchase of uniforms etc. Please report directly to the office and office staff will attend to your queries. Your cooperation enables the College to have better security for students and staff during formal instructional hours.

Jazaak-Allah Khairan.

Dr Popie Hossain Rhaman

Upcoming Events

- **Y7-Y8 Parent-Teacher Meetings**
- **NAPLAN tests**
- **Early Release at 2:45pm in Ramadan**

In This Issue

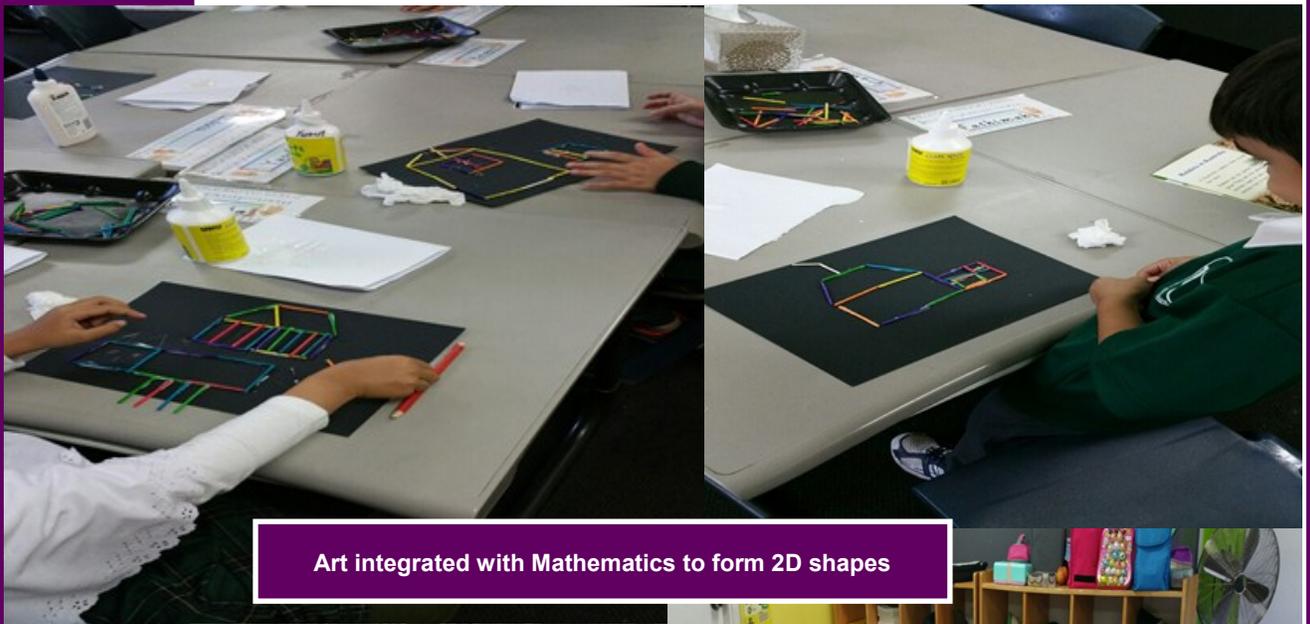

- **Year 1 Violet welcomes back to Term 2!**
- **Sculpture by the Sea**
- **Snapshots of Mrs Kaul's classroom**
- **Car Park Arrangement**
- **Cyber Safety Parent Workshop**
- **Families Week Festival by City of Gosnells**

WELCOME BACK TO TERM 2!

Welcome back to Term 2 and we hope you all have had a wonderful holiday with your children. It is going to be a busy term with the upcoming month of Ramadan soon.

Thank you to parents who came for the Parent- Teacher meeting in Term 1 to discuss your child's progress. All students are working to the best of their ability and I am proud of their effort. Keep up this fantastic effort in Term 2 as well.

Below are some snapshots of our activities in class in Term1.

Art integrated with Mathematics to form 2D shapes

Looking at patterning while doing fruit kebabs

Harmony Day Photos of Us

The following outlines some of our learning in Term 2:

This term under Literacy, students will be learning how to construct narrative and look at character descriptions. They will become familiar with the use of adjectives and noun groups. We will be reading a wide range of narrative texts and writing descriptions about the different characters. We will also focus on basic punctuation such as capital letters and full stops in our writing. In reading, the focus is to ensure that children read for meaning and to gather information.

For home reading, it is important that parents sign the reading log as it helps us know where your child is at with their reading at home. We are also cultivating the love for reading so please encourage them to read every night.

For Creative Arts, we are focusing on Visual Arts and Drama. Children will create an array of artwork allowing them to develop fine motor skills and to experiment with a variety of media. Drama will focus on a story read in class about a Rainbow Fish and how to show kindness to others.

In our Mathematics Learning Area, we continue to work on consolidation of Numbers through concepts such as counting, place value and addition. We will begin exploring the different addition strategies and will continue to develop these concepts throughout the term. Students will be introduced to a wide range of problem solving strategies, including drawing pictures or diagrams and using materials, counters, number lines and hundred charts. Students will learn through mathematical investigations, working both independently and in groups.

For History, students will learn about similarities and differences by comparing the past with the present and how technology has changed.

In Geography, students will continue to describe features of places and mapping skills. Some of the natural features in a place are explained in our Aboriginal dream stories read in class.

In Science, we are looking at everyday materials that can be changed in a variety of ways and exploring how they change.

An excursion for the Year 1 will be coming up this term as well so it is definitely going to be an exciting term with lots of learning and fun.

Kind regards,

Mrs N Jumali

Sculpture by the Sea

Year 8 Students attended the 'Sculpture by the Sea' exhibition in Cottesloe on the 16th March 2017. This was a great opportunity for students to integrate with the local community and develop an understanding of how elements and principles of design are embedded into the production of Sculptural form. Students enjoyed the variety of materiality in which they were able to explore art works created for location by local, state, national and international Artists. Students considered the process of construction and the innovation of a variety of surfaces. In the early afternoon, students attended another exhibition at the Kidogo Art House in Fremantle and the creative artist studios where a guest artist gave a talk about her professional photography practice. This term the students will work on a sculpture project with the Artist-in-Residence Sculptor, Mr Jon Denaro whom has exhibited over the past 10 years at the 'Sculpture by the Sea' exhibition.

Snapshots of Mrs Kaul's classroom

Welcome to your child's Grade 2 year. I hope that you and your family have had a wonderful break. I hope you all are rested and are ready to get back into the swing of things. I see us as a team – child, parents and teacher. We must all work together to ensure success for your child in their grade 2 year.

Some Highlights of Term 1

In **Science**, students learnt about the effects of mixing materials together and did experiments to confirm their predictions.

In **History**, students learnt about "Our Heritage" - Old & New. To experience this, students did an art activity about how clocks looked in the past.

Harmony Day is a day of cultural respect for everyone who calls Australia home - from the traditional owners of this land to those who have come from many countries around the world. On 21st March 2017, all the students gathered in the gymnasium to watch a traditional performance of aboriginal culture.

Writing - Students will be focusing on Recount writing. Creating writing ideas and reviewing writing conventions.

Maths - Students will be focusing on mental and written strategies for addition, money, patterns, measurement, clocks, calendars, seasons, collecting data & picture graphs.

History - Local History

Science - Chemical sciences / Material world

Geography - Connecting to places

Health - 'I'm Healthy, Safe & Active'

Upcoming Event- Excursion to Perth Mint & Bell Tower on 16th May 2017.

'Every child is gifted. They just unwrap their packages at different times' -

الكلية الإسلامية في لنفرد

IMPORTANT INFORMATION

In order to ensure better traffic management, we are implementing the following with regards to drop-off and pick-up location to be effective as of Monday, 3rd May 2017.

DROP-OFF & PICK-UP LOCATION: NORBURY WAY

NORBURY WAY IS THE ONLY LOCATION FOR DROPPING OFF & PICKING UP YOUR CHILD/REN (not the car park).

PARENTS MUST REMAIN IN THE CAR AND BE WAITING FOR 5 MINUTES MAXIMUM.

PARENTS MUST NOT PARK & LEAVE THE CAR UNATTENDED IN NORBURY WAY.

COMING INSIDE THE COLLEGE: PARK AT MAIN CAR PARK

PARENTS WHO ARE COMING INTO THE COLLEGE ARE TO PARK AT THE MAIN CAR PARK (Osten Drive). PARENTS MUST NOT DROP-OFF OR PICK-UP THEIR CHILD/REN FROM THIS CAR PARK.

IMPORTANT:

Please also note that it is the parents' responsibility to supervise their child/ren in the car park at all times.

Your cooperation in complying with the above is required.
